

What Could New Real Estate Taxes Cost You?

There's trouble brewing right in our backyard. Some state lawmakers want to raise the Real Estate Excise Tax—the tax you must pay when selling your home. That means, when you go to sell, you pay more, and take home less of the hard-earned equity in your home.

In fact, the local tax on home sales could soar as high as 130 percent. And Washington already has one of the highest taxes on home sales in the nation.
